### NOTICE OF TECHNICAL CONFERENCE

On June 10, 2005, Boston Edison Company d/b/a NSTAR Electric ("BECo") submitted replacement pages for M.D.T.E. No. 135C, Rate WR, as a supplement to IR-DTE-1-13 in Boston Edison Company d/b/a NSTAR Electric, D.T.E. 04-113. The replacement pages implement the requirements of a Settlement Agreement entered into between BECo and the Massachusetts Water Resources Authority as approved by the Department of Telecommunications and Energy ("Department") in D.T.E. 01-108 (2002). BECo states that the tariff filed on December 7, 2004, mistakenly failed to compute the rate in accordance with the formula set forth in the Settlement Agreement (IR-DTE-1-13).

The Department has reviewed the replacement pages for M.D.T.E. No. 135C, Rate WR, and BECo's supplemental response to IR-DTE-1-13 and has determined that a technical conference would facilitate the Department's investigation. The Department will hold this technical conference at **10 a.m. on June 16, 2005** at the Department's offices, One South Station, 2<sup>nd</sup> Floor, Boston, Massachusetts. The Department will accept written comments on M.D.T.E. No. 135C, Rate WR, through the close of business on June 21, 2005. If you have any questions, please contact me at (617)305-3500, extension 3611.
